

# 7<sup>TH</sup> ANNUAL CONFERENCE

**THURSDAY, NOVEMBER 1<sup>ST</sup>, 2018**  
STARTS AT 6:30 P.M.

**FORUM GENÈVE - CREDIT SUISSE**  
RUE DE LAUSANNE 11, GENEVA

## **"THE RISE OF CHINA AND THE END OF US DOLLAR HEGEMONY?"**

The Rise of China in Commodity Trading, does it mark the start of the decline of US Dollar Hegemony?  
Will the growing financial position of China, new Yuan-Denominated Futures, and International Sanctions reduce the usage of US Dollars as a global currency? How will it affect commodity markets?  
Global trade patterns are always changing and we are living a new transition.

**In partnership with the Swiss Chinese Chamber of Commerce**
